About Pinhay House
★★★★★

Pinhay House is a Residential Care Home for elderly people. We are situated near the beautiful seaside town of Lyme Regis on Dorset's 'Jurassic Coast', a UNESCO World Heritage site.

We offer the following services:

Residential Care
We provide full long term care for up to 25 residents. Our fully trained staff are in attendance 24 hours a day, 7 days a week.

Dementia Care
Our person-centred approach, combined with our tranquil surroundings, makes Pinhay House the ideal location for caring for those with dementia.

Respite Care
Respite care for a few days or weeks is a good way to 'test the water' of staying in a Care Home. This makes it ideal for carers who are seeking a short break or a holiday with an eye to the future.

Day Care
Our flexible day care is bookable for whole days, half days or even for a couple of hours. Available 7 days a week, we offer supervised care and activities allowing the carer to take a well-earned break.

Advice & Support
We are pleased to offer free confidential advice for anyone considering the care of their loved ones. Why not give us a call and take advantage of our no-obligation, friendly service?

Our Accommodation
★★★★★

Pinhay is an elegant Victorian mansion house, set in landscaped gardens with gorgeous sea views over Lyme Bay. This gives Pinhay a unique peaceful ambience that makes it such an attractive place to live.

The bedrooms at Pinhay are lovely. All have high ceilings and retain a number of their original features. South-facing rooms have breathtaking views across Lyme Bay, and all are decorated to a high standard.

Pinhay House offers an extensive range of activities for our residents. These are organised and run by our specialist Activities' Team, with activities taking place 7 days a week.

We offer a mix of group activities and one-on-one time with our residents, tailored to meet each persons needs. This ensures that all our residents and day care visitors are included.
